To Ministers and Local Preachers

Over the w/e of the 10-12th May 2024, we have invite a team from Aldersgate renewal Fellowship to Carterton for a 'Life in the Spirit Experience'.

Basically a team of 12 from across the UK and sometimes the world will lead

a series of short teaching on different aspects of the Holy Spirit interspersed with the opportunity to experience the work of the Spirit in prayer etc. Friday night, all day Saturday and Sunday morning service at Carterton, though the team is open to sending preachers to other churches if invited. I haven't had chance to run this past my colleagues, but some of you may wish put the date in your diaries.

Further information from Ian and Sue. Usually we are team members, but not this time.  
Every blessing
